Cleaning and Care of Metal Products

Special care should be taken when cleaning or polishing metal products

For Chrome plated or Stainless Steel

Clean with window cleaner or stainless-steel cleaner and a soft cloth.

DO NOT use wax of any kind.

For Powder Coated products

Clean with window cleaner and a soft cloth.

For Satin Nickel, Brass, MAB with poly finish.

Use good furniture polish and a soft cloth.

For Brass, ORB, Bronze without poly finish.

Clean with a liquid polish or a good car wax and a soft cloth.

ALWAYS follow the grain direction when cleaning.

NEVER use any lacquer thinners or acetone on metal parts.

The above recommendation is for general cleaning purposes only.

Scratches, abrasions or restoration of finishes must be done by a professional and none of the above processes with help with this.
