FCM-C205 CYLINDER BASE SPECIFICATIONS: STANDARD HEIGHT IS 28"

Fabricated out of 16-gauge material, welded seamless. With mounting tabs at the top, and bottom tabs at the bottom for wood insert or bolting to floor. Top and bottom are open.

** Unless otherwise specified, satin graining is circular. For vertical graining please add:
\$50.00 8" – 14". \$70.00 18" – 24". \$120.00 28" – 36". \$170.00 48"

**If you would like FCM to add plywood disc and levelers add on \$60.00 Lot. Specify: Levelers (AL)

**Please specify finish when placing order: Matte Black (MB) Silver (SV) White (WH)
Satin Stainless Steel (SSS) Polished Stainless Steel (PSS) MEDIUM ANTIQUE BRONZE (MAB) Blackened Steel (BS)

****When adding doors into any cylinder you compromise the integrity of the Continuous round form. Therefore, when adding doors AND using heavy tops, FCM HIGHLY RECOMMENDS using an internal support structure to reinforce the strength of the cylinder.**

** Add-On for Hinged Access Door \$195.00

** Add-On for internal support structure \$275.00 (1" x 2" ribs structure inside of cylinder)

**Add-On for 2" Round Access Hole \$50.00 (Can have 1" or 3" round for same price) Additional sizes, Rd & Sq available

** Add -On for Top Plates instead of tabs (especially for larger/heavier tops) \$100.00 up to 24" square. Larger sizes quoted at time of order.

**Add-On for Dual Wheel Casters 200.00. Please specify (DWC).

**Quantity discounts are available.

**Top and bottom of cylinder is open, unless we add plywood disc as noted above.

**Additional Finishes are available.
